

The Opportunity Sale

**TRINITY SHORTHORN FARM
OX VALLEY FARMS**

PORTLAND, INDIANA, Monday, OCTOBER 12, 1964

On the front cover . . . left to right,
Merry Brook Lavender 4th, Lot 38;
Trinity Blossom, Lot 36; and Calrossie
Augusta Janet, Lot 20.

On page 1 . . . All the cows shown on the facing page sell: Achates
Cinderella, Lot 25; Crocus Cybele, Lot 32; Louada Cherryripe, Lot 35;
Crichton Rhuna Clara, Lot 23; Birmingham Cherryripe 10th, Lot 48; Trinity
Clara 2d, Lot 40; Louada Princess Meg, Lot 31; Calrossie Augusta Jana,
Lot 20; Merry Brook Lavender 4th, Lot 38.

They all sell . . . see the identity on the facing page.

Grazed

Three of the brood cows selling. Left to right, Fralawn Clipper Girl by Louada Regalia, Lot 29; Briardale Princess Robin by Kinellar Royal Robin, Lot 28; and Louada Princess Juliana by Bapton Constructor, Lot 19.

ABOUT THIS SALE

It has long been our ambition to hold a production sale, but this requires a larger cow herd than would fit our farming operation. Instead we hit upon the idea of having a sale every several years. In it we would make numbers by selling some of our very best cows . . . cows which during the interim had left us daughters . . . selling also a top group of heifers and bulls and further complete the offering by inviting participation from customers and friends. I discussed the idea with Dave and Tom Garriott, whose Ox Valley Shorthorns are highly regarded, and they generously agreed to put in their entire show herd. We could expect and ask no more. We believe the combination makes up into one of the strongest offerings to be sold anywhere this year.

Trinity Shorthorn Farm has spent many years and many hard earned dollars putting these cows together from the best herds in Scotland, Canada and the United States. We have not bought too freely, of course, but bought the ones that suited us when the opportunity arose almost regardless of cost. A number of top cattlemen have told us this is one of the best herds that can be found anywhere.

We doubt if there are many other breeders having gone to this effort and expense would sell cows like this. Although we hesitate to do so, we believe it is a sound merchandising program for our 160 acre farm. We have divided the herd about as equally as we know how, feeling we are offering you as good as we are keeping. They will not be overdone with fit. We are offering you mothers to buy and their production to see with the firm belief they will continue to produce as well for you.

True Buckmaster

We call this the "Opportunity Sale." Why? A number of years ago we decided raising the very tops was the only route to take. We have put together the kind of cows that are getting this job done, and having saved daughters, offer you the opportunity to buy these same cows that have proved they can do the job.

If you are serious about producing the best you should see this opportunity because cattle of this calibre are not offered every day. In order to improve you need the best you can find, and it is better that you own five head, or one that can improve, than 100 that are just mediocre.

We may be short of enough Shorthorns in this country . . . and it is a cinch we are short of enough top ones. They are the improvers and the ones that pay off. Here is a chance to buy that type and get on the bandwagon that leads to the top where there is plenty of room. How much satisfaction have you ever received selling just an ordinary bull or heifer . . . compared to the satisfaction of selling a top one. Two people are pleased — the seller and the buyer.

We have long wanted to invite customers to participate with us, have partially accomplished this in this sale and intend to even more in the future. We take pleasure in having Dave Garriott's Ox Valley cattle in this sale and ask that you make careful inspection of his as well as those of our friends consigning with us. Be sure to remember Bill Boutell's sale the Saturday before this one, October 10, and the sale of Lou Cadesky and Wib Donaldson at Louada on October 26.

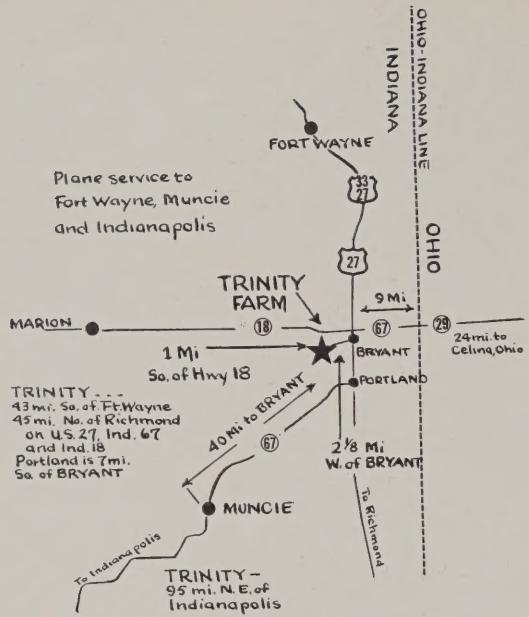

When on our farm we would like to call your attention to the pastures and grass. We are sure that the salvation of the American farmer is good grass and good cattle.

Scene at Dave Garriott's Ox Valley Farms. With Louada Rodney from left to right are: Leveldale Broadhooks, Ox Valley's Crimson May, Ox Valley's Rosewood 2nd, E L Princess Royal 30th and Empress 49th. Next to Rodney and almost hidden is O V Crimson May.

THE "OPPORTUNITY" SALE

SALE INFORMATION

Farm is 43 miles south of Fort Wayne; 45 miles north of Richmond; 2 miles west of center of Bryant, Indiana. Bryant is just south of intersection of U.S. 27 and Indiana 69 and 18.

COMING FROM BILMAR . . .

It is about 200 miles, much on divided super-highways. One recommended route would be to take the Interstate highway from Flint to Lansing, then south on U.S. 27 which would take you all the way to Bryant.

TRAIN . . . PLANES

Good trains and plane service between Detroit and Ft. Wayne. Delta airlines. Morning and evening almost non-stop trains on Wabash Rwy. Advise us of your arrival time in Ft. Wayne.

TIME AND LOCATION—Monday, October 12, 1964. Sale starts at 12 Noon E.S.T. Trinity Shorthorn Farm, 2 miles west of center of Bryant, Indiana, on Polington Road. See sign in center of Bryant. Lunch will be served on the farm sale day.

TRANSPORTATION—We will have a car pick you up at Ft. Wayne, Ind., Muncie, Ind., or Vandalia, Ohio airports if given proper notice in advance of sale. Good service from all directions.

MOTELS—Limber Lost Motel, Bryant, Indiana; Terrace Lodge Motel, Portland (726-4947); Jay Motel, Portland (726-7080). Also some good motels in nearby cities. The Holiday Inn, Muncie, also Holiday Inn, Marion, and Celina, Ohio, has several motels. We will be happy to make reservations for you if you will advise us.

AUCTIONEER—Don Smock, Whiteland, Indiana.

TERMS—All cattle are being sold under the Standard Guarantee endorsed by the American Shorthorn Assn. Terms are cash settlements to be made with clerk immediately at the conclusion of the auction. The owners of Trinity Farm, and the owners of the cattle and their employees accept no liability for accidents. Accidents at cattle sales are rare but all attending must do so at their own risk. The sale manager, clerks, auctioneers were hired for specific tasks promotional and clerical and have nothing to do with the handling of the cattle, the condition of the premises, fulfillment of guarantees or health papers. The sale of each animal constitutes a contract between buyer and

Leveldale Diamond with Louada Rodney daughters and Leveldale Diamond calves at Dave Garriott's Ox Valley Farm. They are selling five bulls, twelve females.

seller of each lot. Animals are at buyer's risk as soon as bid off, but owners will assist in loading in accordance with instructions from purchasers.

TELEPHONES—True Buckmaster, Portland, Indiana. Office: 726-7123. Farm phone — Bryant, Indiana 26235.

HEALTH—All cattle will be sold under the laws of Indiana and since all sales are final all buyers should be aware of any deviations of their state. Health charts will be furnished at the sale with proper tests made. Official calfhood vaccination for Bang's is practiced in the herds.

MAIL BIDS—We hope it will be possible for you to attend this sale personally. If you cannot and wish to send a bid, it may be sent to any of the following, all of whom will be attending:

C. D. Swaffar, American Shorthorn Assn., 8288 Hascall St., Omaha, Neb.

Don Longley, The Shorthorn World, 16 So. Locust St., Aurora, Ill.

Joe Gossard, Corn Belt Dailies, R 3, Frankfort, Ind.

Gene McDonald, The Shorthorn World, 16 So. Locust St., Aurora, Ill.

H. W. Walker, 3906 East 71st St., Indianapolis 20, Ind.

John Mette, Shorthorn Influence, 2830 O St., Omaha, Neb.

Ken Torr, Prairie Farmer, Greencastle, Ind.

You may reach these men at the above addresses or within 24 hours of the sale at the phones listed herewith.

Bids may also be sent to the auctioneer or any of the owners or employees of the herds consigning, or to any of the many responsible Shorthorn breeders attending.

DON LONGLEY, Sale Mgr.
16 South Locust St., Aurora, Illinois

Trinity Constructor, sold for \$1,900 to Williams Stock Farm, Bryant, Ind., in the 1958 Buckmaster Dispersion, and Trinity Constructor 2nd to Woody Devine, Bedford, Ind., at \$3,000.

A DEFINITE PLAN -

A definite plan of procedure is a necessity in any business . . . and nowhere is it more necessary than in the purebred business. When we started our original herd in 1938 it was with the idea that I would like to see a good animal or two around the farm as a decoration. After a few years of haphazard buying and operating, I realized that to be successful

we would have to follow different methods. We had purchased cattle without sufficient thought or study, and had accumulated quite a good-sized herd for a small Indiana farm. Fortunately we had bought a pretty good bull, a son of Divide Grand Duke. He produced pretty good bulls and very good females. We began to sell on the market females from the herd that were not good enough. We also began a closer study of pedigrees, the importance of which so many of us neglect.

The result was we sifted and sorted until we had a pretty good herd of females, and it was also time for a new bull. This was in 1947, and I purchased three different bulls of fair ability. Then I began to find out how hard it was to find a bull that meets the requirements to build a good herd. I travelled many miles, saw lots of cattle, and decided I would either get a bull that would do the job properly or quit the purebred business before it quit me.

There is not much room at the bottom, but plenty of room at the top . . . you must work up the ladder at all times or you will not produce the kind that will improve your customers' cattle . . . and this is your reason for being a purebred breeder.

Anyway, we kept sorting and marketing inferior females and trying various bulls with varied success. Finally in 1955 we bought Louada Commander for \$5,000. He was a son of Calrossie Armada from the great Rothes Queen family, his dam being Rothes Carlotta, the mother of Kirkton Hercules, used so successfully at Bapton.

At this time, more and more, I recognized the necessity of proper background of the animals in the herd, males and females. We finally felt we were on the right track, and we believe now, ten years later, that we were. We had found a herd bull. Back of him stood the work of many very sincere men . . . men dedicated to improvement and much planning. These things do not just happen.

In 1958 we sold the farm and had to sell the herd or buy another farm. Labor was scarce, I was getting older, and having always been hard up the temptation to sell the farm and the cattle and put a chunk of money together was too much. When sale day came I was sick, not physically, but sick at the thought of disposing of part of my life, this cattle business . . . and the thought that the cattle and the fine friends I had made would pass out of my life. If I thought I could have gotten away with it on the morning of that sale I would have gathered

the crowd together and said, "Go home. I am keeping the herd." I couldn't do this to all the fine people who had come so far. The cattle sold, the sale was a fine success, averaging \$785.

Within a few hours after that dispersal I had decided. There would be another farm, another herd, and my plans were laid. It would be a better herd, not so large, better looked after, better selection, built on the best. In a few days by seeking out the advice of men whom I thought definitely knew, I was on my way.

Since that time we have accumulated the present herd which we are today dividing with you on production and selection. All the money I accumulated in the other herd and my earnings since in my business have been invested in this bunch of cattle and the 160-acre farm. We have spared no money, effort or time in putting this herd together headed by the best stock bull and females obtainable.

Rothes Carlotta, dam of Louada Commander. She was also the dam of the famous Bapton sire, Kirkton Hercules.

True Buckmaster, right, with his long time friend, Hal Longley, late publisher of *The Shorthorn World*, at the time of the 1958 sale.

It is part of our plan here to divide them with you. We are proud of these animals we are selling, and if there is anything wrong with any of them we are not aware of it. Close inspec-

tion, proper veterinary services testify to the health of them all.

Today we stand on the threshold of the greatest opportunity in the pure-bred cattle business with our Shorthorn cattle. The greatest and most numerous cattle on the face of the earth, and with honest work and a sincere desire to accomplish something, we can put the Shorthorn in the position it once held. It will take work, but what else are we here for? Work and success are the most enjoyable privilege we have, and lead to the most happiness.

I could go on writing until you would be tired of reading because nothing is closer to my heart. At any rate you know the background of Trinity, our plans for the future. This is our plan to improve cattle, divide them with our friends, and help make Shorthorns the predominating cattle in this country again.

We hope the best for all of you!

True Buckmaster

WIB DONALDSON'S COMMENT ON THE "BLOOD ROYALS"

Louada Blood Royal 20th, dam of Louada Randolph, stock bull in the Buckmaster herd.

Louada Randolph is from the Blood Royal family that has done so much for us here at Louada. His granddam is Blood Royal 33rd that founded our line of Blood Royals. She is a great individual. I saw her dam and granddam at Millhills, and they, too, were powerful cows.

Blood Royal 33rd is still producing at 16 years of age. She has produced Louada Bonaparte, stock bull in the Sittyton herd in the Argentine, where he sired the winning group of five bulls at the great Palermo show. She is the dam of Louada Blockbuster, stock bull for N. D. Hogg, Uxbridge, Ont., also of Louada

Bondholder, stock bull for Byron Reser & Sons, Walla Walla, Wash., both bulls being full brothers of Louada Bonaparte. Louada Argosy, sold to Joe Christen, Colorado, is out of Blood Royal 33rd. Her latest calf, Louada Royal Leader is by Louada Rothes King.

The oldest daughter of Blood Royal 33rd, Blood Royal 34th, has produced Louada Galahad, sold to N. D. Latimer & Sons, Alberta; Louada Battleship to W. H. Merry, Ontario, and Louada Beaver to Harry Fry. The last two mentioned bulls are now in service at Joe Winkler & Sons, Colorado. Louada Barbarian, that has done so well for Lloyd Burr & Son, Iowa, and his full brother, Louada Broadsword, used by the McLachlans and Parke Franklin in Michigan, are also sons of Blood Royal 34th.

The second oldest daughter of Blood Royal 33rd sold as a yearling to Maurice Berquist of Iowa.

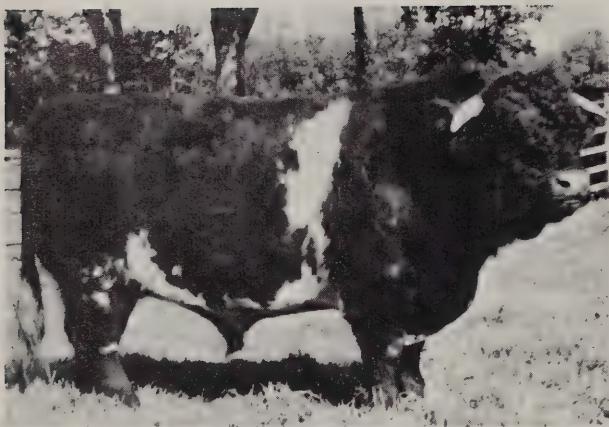

A daughter of Blood Royal 34th has also produced a daughter by Calrossie Armada that left us three daughters here. She is now at Worden Bros. in New York. Another daughter topped our May 1961, sale going to Leonard Buck, Allwood Plantation, Georgia. The last two calves by Blood Royal 34th have been heifers by Louada Rothes King. Blood Royal 34th is still producing, too, in her 13th year.

Her second daughter, Louada Blood Royal 7th, produced Louada Cornerstone, 1959 International reserve grand champion to Leonard Buck. His full brother, Louada Copyright, went to Allendale Farms in Ontario. Another son, Louada Conquest, went to Harold Fry in Saskatchewan.

Louada Blood Royal 7th has had five daughters, the oldest one of which founded the Blood Royal family in True Buckmaster's herd. The second daughter, full sister to Louada Cornerstone, is the dam of Louada Royal Stamp, one of the best bull prospects we have ever had here. She has two daughters by Kinellar Royal Robin which are in the Louada herd, and her last calf, a March 1964 heifer by Louada Rothes King, will certainly stay here also. The third daughter is Louada Blood Royal 10th, purchased in the May 1961 sale by Roslyn Flett, Ontario.

The fourth daughter of Blood Royal 33rd is Louada Blood Royal 20th. She is the dam of True Buckmaster's Louada Randolph. She is a full sister to Louada Bonaparte, Louada Bondholder and Louada Blockbuster. She is also the dam of Louada Debonair at Allendale and of Louada Defence, a December 1962 bull that we are using.

LOUADA RANDOLPH

We have owned several good bulls and the proof of the pudding was in our last sale in which we sold 79 lots for a \$785 average, with the 18 bulls averaging \$1,185. We are now satisfied that as great a bull as is Louada Commander . . . now owned jointly with Tuscarora Farm, Pennsylvania and Merle Daugherty, Indiana and still going strong at ten years . . . we have another and greater bull in Louada Randolph. You can see on sale day almost his entire production in our herd, for we have not sold many of his get as yet. Randolph will be here to inspect, too.

The breeding of Louada Randolph, his excellent conformation, AA classification, gentleness, fleshing ability, correct size, good bone, thickness, smooth shoulder, hair, sound feet, smoothness and deep quarters are some things to see. He is now in his prime.

His sire is the \$20,000 Louada Regalia used with such success in the Browns of Kentucky herds. His grandsire, Bapton Constructor, at \$50,000 was the highest price in modern times, sired a million dollars in Shorthorns before his death. Back of this come such sires as Calrossie Constellation, Calrossie Welcome, Calrossie Harmony, and others farther back. It is hard to measure the impact these bulls have had on Shorthorns throughout the world. It is hard to come by anything that compares with their success. How many people depend today on this blood and still strive for it!

Study the female side, also . . . the great Blood Royal family. You must read this extended pedigree to realize what is behind this bull. We would expect great calves . . . and you will not be disappointed with what you see.

Two daughters of Louada Randolph. Louada Princess Rhonda, retained at Louada, and Louada Flossy Freda, \$3,000 top selling female, 1963 Louada sale, going to Fralawn Farms, Owen Sound, Ont.

Louada Adventure,
first son of Louada
Randolph. Sold in
the 1963 Louada sale
for \$3,500 to Shaw's
Pleasant Acres,
Trimble, Mo.

Five young sons of Louada Randolph selling in this sale. This picture was taken in June. Left to right: Trinity August, Lot 3; Trinity Hyperbole, Lot 5; Trinity Jonathon, Lot 2; Trinity Counsel, Lot 1; and Trinity Cupbearer, Lot 4.

The longer one is in this business the more one realizes the ultimate goal is the production of an "improver" . . . not just multiplying cattle, or even producing what a lot of people would call "good ones" . . . but the breeding of "great ones."

No herd, no matter how outstanding, can claim to have a calf crop of all great ones . . . or even a very high percentage of them. Thus, the production of improvers is dependent upon selectivity . . . recognizing the difference between a "pretty good one" and a "great one" and being willing to pay the difference.

True Buckmaster has learned this. Moreover, he is determined to sell some of this kind. I was astounded back in June when I visited Trinity and saw the cows he was

planning to sell. People just don't sell cows like these . . . but when he explained his overall plan to me it made sense. These cows have done their job, they are being sold while in their prime, and their place is being taken by daughters even better than they are.

So much has been said about the cows that I am afraid we may create the impression the young bulls and heifers by Louada Randolph should take a back seat. Nothing could be further from the truth. The younger productions are the kind that should go into top herds, bulls and females.

The strong Trinity offering is made even stronger by the inclusion of 17 excellent entries from Dave Garriott. He caught the spirit of this sale and picked the very best sons and daughters of his two outstanding

herd sires, Louada Rodney and Leveldale Diamond. Those who have competed against Ox Valley at the major state fairs and national shows and sales do not need to be reminded that these are among the breed's best.

If you are serious about herd improvement . . . whether you need a top young stock bull or females to found strong new families . . . you should be on the seats when these cattle are sold.

Trinity Counsel, Lot 1.

TRINITY COUNSEL—This young bull full of Constructor blood from both dam and sire has also some of the great cows of the breed in his pedigree. Louada Blood Royal 20th, a daughter of Blood Royal 33rd, the founder of the Louada Blood Royals and Saltoun Augusta 15th, a great imported daughter of Chapelton Royalist from the Biggar herd in Scotland. We have the mother of this young bull in our herd and are retaining her. This is her first calf. Do not miss looking at her if you like and enjoy seeing a great young cow. This bull is about as nearly perfect in every manner that you could ask for—a great head, smooth, heavy boned, straight lines, deep quartered and a good covering of fine hair. Judged by a lot of good breeders as one of the best to sell in this sale. We like him and believe he could head any herd anywhere.

Trinity Jonathan, Lot 2.

TRINITY JONATHAN—Another great prospect, only a year old on sale day. A son of Randolph and from Trinity Cherryripe whose mother is selling today with a white Randolph bull calf, she being by Armada. We would not know how to get a stronger pedigree, chuck full of Calrossie Welcome blood from beginning to end. Here is a very strong calf . . . look at the great head, bone and legs. We are proud of him.

Trinity August, Lot 3.

TRINITY AUGUST—A son of Louada Augusta Kate 2nd and Louada Randolph. Here is a high concentration of Bapton Constructor blood appearing in this pedigree three times. This calf's mother is a direct daughter of Constructor and she is a daughter of Louada Augusta Kate that was Supreme Champion, 1956 Royal Winter Fair. This calf will please anyone wanting a top bull. He has the size, bone, depth and head required to make a great sire. This calf on the dam's side is from the great Drynie Augusta family.

Trinity Cupbearer, Lot 4.

TRINITY CUPBEARER—Out of Crichton Rhuna Clara selling in this sale a great Calrossie Precision cow. He is also a half brother to the Trinity Rhuna Clara selling and by looking at the mother, her daughter and this bull nothing further need be said. Anyone who could use a white bull would certainly make no mistake in buying this calf.

Trinity

Trinity Hyperbole, Lot 5.

TRINITY HYPERBOLE—By Randolph and out of a great cow selling Calrossie Augusta Jana by Calrossie Hyperbole. This young calf is a typical Randolph . . . thick, good headed, with great quarters and heavy boned. This bull is too young to sell and get his entire worth but whoever buys this bull will most certainly have a great stock bull of the proper size.

Trinity Banker, Lot 6.

TRINITY BANKER—The oldest son of Randolph selling and out of the great Birmingham Cherryripe 10th. She is the mother of Trinity Constructor 4th owned by Wilsona and Homestead Farms and a great producer and show bull. Also, this bull selling is a full brother to one of the best heifers we are keeping, Trinity Mary Cherryripe. This bull has every indication of being a great stock bull. Good head, heavy boned, plenty of size and no looseness or flabbiness.

Lot 6, Bull

Trinity Keynote, Lot 7.

TRINITY KEYNOTE—A good soggy roan bull by Randolph, ready for heavy service. From Trinity Augusta Jana, a daughter of Calrossie Keynote, and Calrossie Augusta Jana by Calrossie Hyperbole. Where could you find a stronger pedigree in a great stock bull prospect.

Trinity Favourite, Lot 8.

TRINITY FAVOURITE—A very growthy bull, solid red by Randolph and out of one of the great cows of the breed, Shirkarton Rosewood Kiss, selling today and a top heifer calf from her being retained in the herd. The Kiss cow being by Kirkton Favourite, he by Naemoor Marshal. Another bull with top breeding and a great prospect.

Trinity

Trinity King, Lot 9.

Louada Rothes King, famous Louada stock bull. He is the sire of Lot 1.

TRINITY KING—A son of Louada's famous Louada Rothes King. The dam, Louada Augusta Aileen is an own daughter of Bapton Constructor and a good one. Calrossie Augusta Aileen was one of the great foundation cows at Louada. We have used this bull.

Trinity Actor, Lot 10.

TRINITY ACTOR—A good, easy fleshing bull just the right age to begin using. This calf is by Louada Woden used in the Michigan State College herd, he by the \$36,000 Louada Nugget. The dam was grand champion sale heifer at the Michigan-Indiana-Ohio sale where I purchased her. This calf has a very high concentration of Bapton Constructor blood and should be a top sire. Notice his smoothness and strength.

Louada Rodney was purchased in the 1959 Louada Sale for \$6500. This investment is undoubtedly the best we ever made. His calves have done exceptionally well for us wherever shown. We now have more than fifty of his daughters.

Although he is almost six years old, he probably looks better today than he ever did. He is a full brother to Louada Regalia, Browns of Kentucky, and Louada Lochinvar, Scofield Rand, Austin, Texas.

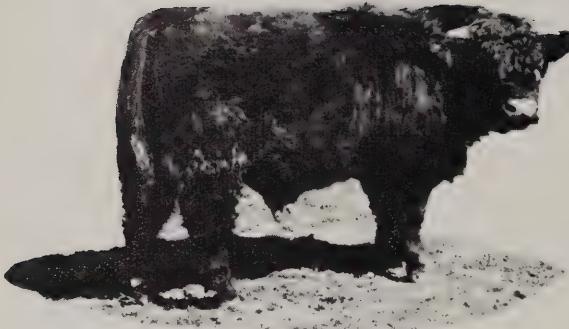

All of our cattle in this sale are either his sons and daughters or grandsons and granddaughters. Rodney's Louada heritage needs no further comment.

LEVELDALE DIAMOND

Leveldale Diamond was purchased in the 1961 Leveldale sale at six months of age for \$3,000. His dam was Grand Champion Female at the Eastern National as a November senior calf. His granddam was the 1956 International Grand Champion Female.

Leveldale Diamond is the first calf by the great Calrossie Diamond that is now making Shorthorn history at both Leveldale and Melbourne farms. Three of Leveldale Diamond's sons and four of his first daughters sell. All of the Rodney daughters are bred to Diamond.

We challenge anyone to match this bull on head, hair, bone, color and quarter. His calves will speak for themselves.

Four daughters of Leveldale Diamond are selling. Left to right, Diamond's Princess Royal; Diamond's Augusta Lee; Diamond's Rosewood; and Diamond's Rosebud.

Ox Valley's Comet, reserve grand champion bull 1962 Indiana State Fair, now siring outstanding calves for Dr. Floyd Napper, Scottsburg, Indiana. Ox Valley's Comet is a three-quarter brother to Ox Valley's Viking, Lot 13.

OX VALLEY'S VIKING—Viking is our spring yearling show bull by Louada Rodney and out of one of our good Souvenir cows. His dam was a blue ribbon winner at the Indiana State Fair a few years ago. Viking is a $\frac{3}{4}$ brother to Comet, Ivanhoe and Lucky, 1963 grand champion bull Indiana State Fair.

Ox Valley's Lucky, grand champion bull 1963 Indiana State Fair, sire Louada Rodney.

OX VALLEY'S EMPEROR—I think this is the largest and one of the best bulls we have produced. He looks very much like an own son of Bapton Constructor. His dam, Empress 49th, by Beaufort Bouncing Boy, is probably as good a female as we ever purchased. If Louada Rodney showed any signs of aging, we would keep this bull to use.

LOUADA PRINCESS JULIANA—Here is one of the good ones. Purchased in a recent Louada sale at a high figure and having produced for me two heifers which I am keeping in the herd, testifying to her ability to reproduce. The daughter is by Louada Pibroch, that heads the prominent Richardson Stock Farm herd at Winnipeg. She also has a daughter of Louada Rothes King which we are retaining in the herd. This daughter of Bapton Constructor is being offered to the trade only because of our belief that the only way to increase and improve the Shorthorn cattle business is to offer such animals to breeders who will continue to work towards improvement. We hope she gets a good home. Bred February 5 to Randolph.

CALROSSIE AUGUSTA JANA—An imported daughter of Calrossie Hyperbole. Purchased by Wib Donaldson for us in Scotland and Donald MacGillivray told me several times that this is one of their best families. Her production testifies to this. Look at the bull calf we are selling, Trinity Hyperbole, not yet a year old. You have not seen too many better. We are retaining two of her daughters, Trinity Augusta Jana 3rd by Randolph and Trinity Augusta 5th by Randolph and selling her daughter by Calrossie Keynote, imported in dam. We know of no way that we could do more for Shorthorn development than by offering to sell this kind of cattle to breeders. Make a thorough inspection of her produce. Bred March 20 to Louada Randolph.

These cows sell . . .

TRINITY AUGUSTA JANA 5th—A young Louada Randolph calf and a granddaughter of Calrossie Augusta Jana selling. If someone would buy this string of Jana females as a foundation, they would hardly need more. They are productive, healthy and really good. We will miss these heifers when they are gone. Sells open.

These Louada Randolph heifers will be retained in the Trinity herd. Some of their mothers are selling.

Crichton Rhuna Clara, Lot 23. (1958 photo.)

CRICHTON RHUNA CLARA—An imported daughter of Calrossie Precision and the dam of Trinity Cupbearer selling and the dam of Trinity Rhuna Clara. These two testify to her real worth and ability. She was bred March 28 to Randolph and the calf will more than pay for the cow. Someone buying her will get a foundation female if a heifer or a herd bull if the calf is a male. We still wonder why we are selling females like her. Remember the Blood Royal blood carried in Randolph and the great females back of him as well as sires. This almost insures a great production from this good cow.

The famous Louada Regalia, \$20,000 sire for the Browns of Kentucky. He is the sire of Louada Randolph.

TRINITY RHUNA CLARA—Here is a young cow that should not be sold at any price. Her heifer calf at foot was calved August 6, 1964, and is by Louada Randolph, and she will be rebred or sell with that privilege. Leave her on the farm and we will get her with calf again. This cow's mother is selling, Crichton Rhuna Clara, an imported Crichton cow by Calrossie Precision. Trinity Rhuna Clara is the first calf by Trinity Constructor sold to Wilsona Farms, Greenfield, Ind., and Arnett Gordon & Sons, Cedarville, Ohio. This bull was reserve champion at the Indiana State Fair and produced cattle that Wilsons have had at the top in the most competitive of state fairs on several occasions. A real foundation cow and no one can judge her full worth at this age.

TRINITY CLIPPER GIRL 2nd—The daughter of Fralawn Clipper Girl being sold in this sale. Here is a double-bred Regalia calf, both her dam and sire being by Regalia. A beautiful heifer and one that possesses all the good points that top-line breeding can give. This would be a foundation female and who could find a better one to start off with. We would like to see her production when it arrives. Sells open.

The picture of this group of Louada Randolph daughters was taken in June. Left to right: Trinity Blossom 3rd (Lot 37); Trinity Clipper Girl 2nd (Lot 30); Trinity Mary Cherryripe; and Trinity Cinderella (Lot 26).

Unretouched snapshot of Trinity Welcome. This son of Louada Randolph was sold for \$3,000 to Sherman T. Swanson, Willow Lane Farm, Lockport, Ill. Lot 31, Louada Princess Meg, is the granddam of this bull.

LOUADA PRINCESS MEG—By Calrossie Armada, bred to Louada Randolph on March 31 and sure to produce a good calf either male or female. Notice the breeding in this pedigree. Her calf will more than pay for the cow. Testifying to our value of this cow is the fact we are keeping two of her daughters in our herd, Trinity Princess Meg, the mother of Trinity Welcome sold to Sherman T. Swanson, Lockport, Illinois, for \$3,000, and her next calf, Trinity Princess Meg 2nd by Louada Randolph. Inspect these females and you will soon see the worth of this great cow. Look at her pedigree and you could buy her safely without looking at the cow herself. We purchased her at a high figure at a Louada sale on the highest recommendation of Wib Donaldson, who has advised us so much on building our herd.

LOUADA CHERRYRIPE—Another daughter of Calrossie Armada that has a splendid white bull calf by Louada Randolph dropped August 5 at foot with the privilege of rebreeding to him. I cannot say enough in praise of these cows we are offering. We are keeping daughters or mothers of every animal we are selling. We do not know how we can replace these animals. Two daughters of this grand cow are being kept in the herd as well as granddaughters. Chances are the calf at her side, at the proper time, will more than pay any price that you pay for her, and I would guess that you will have a great show calf in him. What we paid for these cows is a matter of record and if you look at Wib Donaldson's sale records, you can see that we bought some of the best in his sales at Louada.

Yearling photo of Louada Commander the bull that made such a great record in the Trinity herd. Lot 36 is a daughter.

TRINITY BLOSSOM—A great daughter of Louada Commander, one of the very top sons of Calrossie Armada and still going strong today for Jim Fogal in his Tuscarora herd at Neelyton, Pa. This cow is out of one of Dave Graham's good families and with very easy fleshing ability. We owned her mother, whom we lost, and if you look at her daughter, Trinity Blossom 2nd, you will need no further evidence of her worth. She was bred on February 25 to Louada Randolph. We could write pages concerning these cows and their production. You will have to attend the sale and see for yourself.

	Marellbar Lavender 4th Dk. Rn., William Bartholomay, Jr.
	Lavender Cecilia Red, Albert Jas. Marshall, Est.

MERRY BROOK LAVENDER 4th—Another AA cow with a good Randolph bull calf at her side and rebred to Randolph. Here is another animal with a high grade pedigree, she being by Louada Battleship, a son of Armada, with a full line of Welcome breeding back of him. On her dam's side she is from the famous Marellbar Lavendar family and she by Phopachy King Charles, that made quite a record for John Blume at Marellbar. Rebred to Louada Randolph on July 5.

Merrybrook Lavendar 4th (Lot 38); Trinity Blossom (Lot 36); Calrossie Augusta Jana (Lot 20).

Glen Cove Climax, \$2,500 grand champion bull, 1964 Canadian International bull sale. Lot 39 has a calf at foot by him.

HI-HILL AUGUSTA 31S—This young cow sells with a heifer calf at foot by Glen Cove Climax, champion bull at the 1964 Canadian National Bull Sale at Brandon, Manitoba. He sold for \$2,500 to Harold Wenzel and Ronald Olson, Langdon, N.D. The calf shows promise and the cow is rebred to Tempel Custodian since August 25. This 3-for-one proposition should certainly offer someone a real opportunity to secure a foundation female and also start a splendid herd. It would be hard to find a pedigree with more names of prominent breeders.

TRINITY CLARA 10th—Another Randolph daughter from Trinity Clara 2nd whose breeding goes back to Harry Swanson's Sandoon Captivator bull. He was one of the really good bulls in Western Iowa. The old Hillbrook Clara 40th cow by the Nebraska University Gold Nugget bull was one of Iowa's best cows. I bid \$2,100 on her when she was 8 years old but did not get her and this was a good many years ago. The grandsire of this calf on the dam's side was a grand champion bull at the Indiana State Sale when Indiana was producing a lot of top bulls from a good many fine herds. This heifer has been bred to Louada Commander and should produce a top calf.

Red, C. M. Blyth

HENDERVALE AUGUSTA 6th—This attractive Constructor granddaughter is out of a daughter of Loamart Bclido, grand champion bull at the Royal Winter Fair, Canada's strongest show. He was a son of the famous Beaufort Bolido, Perth reserve champion. Breeding date will be announced on sale day.

At right you see one of Hendervale's first sons of Louada Brigand, Hendervale Tony, the white bull, second in class at the 1963 Canadian International where he sold for \$1,250.

The granddam of Louada Brigand, Calrossie Broadhooks Beth by Millhills Champion, was the second top-selling female of the 1950 Calrossie sale at 1780 gns.

Top bull of the Tempel Farms draft in the 1964 Northwood Farms Sale at Cary, Ill., was Tempel Custodian that sold at \$1,850 to True Buckmaster and Sherman Swanson, Lockport, Ill. He is shown above with (L to R) Tempel Smith, True Buckmaster, Sherman Swanson and Dale Wernicke.

We are offering six beautiful heifers by Louada Brigand, he by Constructor. The dams are by Camson Prince Bob, Calrossie Cock Robin, OAC Ransom 23rd, Bapton Grandee, Lomart Bolido and Scotsdale Jutland. These are a wonderful bunch of heifers with good heads, great conformation and bred to Louada Randolph, Louada Commander, Trinity Rothes King and Tempel Custodian. No one will err in purchasing this entire group as a basis for building a strong herd. Look them over carefully . . . Lots 57, 58, 59, 60, 61 and 62. We will announce on sale day breeding dates and bulls these heifers are bred to.

HENDERVALE GOLDEN QUEEN 2nd—These Louada Brigand heifers have the quality top breeders are looking for. This one is out of a cow bred in the famous Femco herd and sired by their \$8,000 Cruggleton Prince Bob.

The \$8,000 Camson Prince Bob. This imported-in-dam bull is the sire of the dam of Lot 62.

Bapton Constructor. No sale contains a stronger concentration of this potent blood.

Lois Ann Garriott with her grand champion steer over all breeds, Indiana State Fair, 1962. This steer was sired by Louada Rodney.

The Ox Valley Females

Fellow Shorthorn Breeders . . .

I am pleased to take part in this event with my good friend True Buckmaster. This is really an "Opportunity Sale" as we are selling the very best bulls and heifers we have been able to produce. Seldom are such good ones offered except perhaps in a dispersion where you have to buy them without guarantees. In this sale they all sell under the Standard Guarantee.

Many new breeders who want to accomplish something have encountered difficulty because in buying foundation stock they were continually exposed to someone's cast-offs. I want to assure you in this sale you will be able to buy the best we have produced. We believe this will win friends . . as it has always been our view that a satisfied customer is a herd's best advertisement.

Most people will agree the best females of the breed are the daughters of Bapton Constructor, but few, if any, are available. Therefore, it seems logical that a sound move is to buy granddaughters and great-granddaughters sired by the best bulls of this line. Many are available in this sale. I believe firmly that an infusion of Bapton Constructor blood will improve any herd in North America.

I hope you will join us at Trinity on Sunday evening, October 11, for a leisurely inspection of the cattle and an informal social gathering with buffet dinner. As they say just across the river in Kentucky, you *ALL* come.

Dave Garriott

Seven daughters of Louada Rodney being sold in this sale bred to Leveldale Diamond.

Ox Valley Ivanhoe, grand champion bull 1962 Indiana State Sale, now heads the Charles Miller herd, Nicholasville, Ky. He is a three-quarter brother to Rodney's Victoria Lass, Lot 63.

RODNEY'S VICTORIA LASS—A full sister to Ox Valley's Viking that is selling in this sale. Her dam is a great Souvenir cow that takes the eye of most everyone who sees our cow herd. She has been safe in calf to Leveldale Diamond since April 8.

Ox Valley's Augusta Kate, reserve grand champion female
1963 Indiana State Sale. Sire, Louada Rodney.

RODNEY'S LADY ROSEBUD—A great heifer with an outstanding pedigree. Meta Rosebud was the late Marion Woody's favorite cow. Meta Rosewood was the best improved cow we ever owned. She has been safe in calf to Leveldale Diamond since March 18.

Rodney's Generosity, shown winning reserve grand championship Gold Medal Division, 1963 Indiana State Fair. She sells as Lot 65.

RODNEY'S GENEROSITY—She was the 1963 Indiana State Fair reserve champion Gold Medal female. She is sired by Louada Rodney. Her dam was bred here at Ox Valley and has produced three really good calves already. Ox Valley's Senator was a bull we raised that sired a lot of good calves for us. The great granddam was Sni-A-Bar Generosity 13th, a sound female family. She is safe in calf to Leveldale Diamond since March 16.

Ox Valley's Cupid, reserve junior champion 1963 Indiana State Fair, now heads the S. J. Stokes & Son herd, Lexington, Kentucky. Lot 66 is by the same sire and is out of the same cow family.

RODNEY'S CRIMSON DOLLY—This is the first Crimson May female we have ever sold. This is the family that produced Ox Valley's Comet, Dr. Napper's bull, and Ox Valley's Cupid now being used in the Jim Stokes herd of Lexington, Ky. Bred to Leveldale Diamond on April 14.

Rodney's Augusta Queen, the first calf by Louada Rodney, grand champion female 1962 Kentucky National Futurity Show and Sale. Purchased by Lotis Linville & Sons, Shelbyville, Indiana.

RODNEY'S PRINCESS ROSIE—A very good heifer from the famous Burnton Princess Royal family. These Princess Royals are extremely prolific. We are selling four Princess Royal females in this sale. Princess Rosie's dam is also one of our dependable Souvenir daughters so this heifer would be a $\frac{3}{4}$ sister to Comet, Lucky, Ivanhoe and several other good bulls including Viking which sells. Bred to Leveldale Diamond on March 21.

Nina Garriott with Rodney's Princess Royal, 1963 Kentucky Futurity champion female, purchased by Henry English, Bowling Green, Kentucky. Lot 68, Rodney's Princess Juliana, is bred almost identically to this heifer.

RODNEY'S PRINCESS JULIANA—Another good Princess Royal heifer safe in calf to Leveldale Diamond since March 20. This heifer is bred almost identically to Rodney's Princess Royal, the grand champion female at the 1963 Kentucky National Shorthorn Futurity that was purchased by Henry English, Bowling Green, Ky.

B & B Augusta 25th, Illinois State Sale grand champion female. She is the dam of Lot 69, Rodney's Augusta Charm.

RODNEY'S AUGUSTA CHARM—Our junior yearling show heifer bred March 11 to Leveldale Diamond. This is a full sister to the dam of Ox Valley's Diamond. The dam of Ox Valley's Atlas is also bred the same way. These Rodney daughters bred to Diamond should have calves like the Diamond calves we are selling. This heifer's dam, B & B Augusta 25th was an Illinois State Sale champion.

DIAMOND'S ROSEWOOD—This has been one of our best female families. Her dam was the best heifer in our show string in 1962. There are four generations of this family producing here at Ox Valley. Leveldale Rosewood 45th was the top open heifer in the Leveldale Sale in 1952 at \$3,300 . . . and she was worth it.

These four daughters of Leveldale Diamond sell in this sale. They are among his first. Left to right: Diamond's Princess Royal (Lot 74); Diamond's Augusta Lee (Lot 73); Diamond's Rosewood (Lot 72); Diamond's Rosebud (Lot 71).

Hillcroft Miss Ramsden 3rd, grand champion female 1956 International. She is the granddam of Leveldale Diamond. She is also a half sister to the granddam of Diamond's Augusta Lee, Lot 73.

DIAMOND'S AUGUSTA LEE—This is as good a heifer as we ever raised. Her dam is almost a full sister to Ox Valley's Lucky, grand champion bull 1963 Indiana State Fair. Her granddam, Augusta Lee, is a half sister to Hillcroft Miss Ramsden 3rd, 1956 International grand champion female and the granddam of Leveldale Diamond.

White, Mathers Bros.

E. L. Princess Royal 30th

Red, Arthur H. Weiland

Best pair 1963 Kentucky National Futurity Show and Sale, Rodney's Princess Royal and Ox Valley's Comet, both by Louada Rodney.

DIAMOND'S PRINCESS ROYAL—Our senior heifer calf without a nurse cow. She is another Princess Royal from the same cow as Rodney's Princess Rosie, also selling. A little young but well worth waiting for.

We appreciate these unsolicited comments from breeders

Castle Rock, Colorado

Dear True:

"I had a recent opportunity to visit Trinity Shorthorn Farms to see Louada Randolph and the herd, with particular attention to the sale offering being planned for October 12. As a westerner from a range country, I was particularly impressed by the practical management displayed . . . cattle are on spacious pastures and they are *right* kind needed to convert grass to red meat . . . Louada Randolph is one of the meatiest, best loined and quartered bulls I've seen and most important, he has left these valuable characteristics like a potent stamp. Rarely does the opportunity exist when it is possible to select the best from a successful herd, but after a careful study of the sale offering, it is evident that here the good ones are selling. Females that are not only the useful, productive kind to return a profit to their new owners, but with quality that will look good anywhere."

Joe Winkler III

Dumas, Arkansas

Dear True:

I want to take this opportunity to thank you for your hospitality on my recent visit to your place.

Needless to say, I was most favorably impressed with your fine herd of Shorthorns, especially those that are to be in your coming sale. They are certainly the correct, modern kind throughout and will surely work improvement in *any* herds lucky enough to wind up with them. I intend to be there sale day for sure. Randolph looked exceptionally good. I hadn't seen him since I saw him at Louada as a calf. He has developed into one of the good ones as his offspring at your place will so testify. Again thanking you for your hospitality and looking forward to seeing you around in the near future.

Sincerely
R. B. Stimson

East Lansing, Mich.

Dear True:

I was very pleased to hear you are having a production sale this fall. We have been watching your operation with great interest ever since Louada Randolph went to your place. I believe he is one of the very top bulls in the country today. I think his dam is one of the great cows in the breed.

I was very pleased to visit your place when Randolph's first calves were being dropped. I was quite impressed with the cow herd you have assembled for Randolph to work on. It made me think of a small Louada herd.

I would think you could put on a very high quality sale of Shorthorn cattle. I hope to get down soon and have another look. We will plan to be at your sale.

Sincerely yours,
Amos Fox
Beef Cattle Foreman

Frankfort, Indiana

Dear True:

As you know we have purchased cattle from Trinity Shorthorn Farm for the last few years.

Always we have found them as represented, and have received trustworthy and generous treatment.

Trinity Constructor 3rd, the bull we purchased in 1958, added type, bone, depth, and wonderful heads to our cattle.

Trinity Royal Robin, the bull we bought in 1963, is being used with Trinity Constructor 3rd heifers, and we have calves which show great promise.

Sincerely,
J. William Need

TWO BIG SALES IN ONE WEEK-END

Saturday, Oct. 10 — Bilmar Sale, Grand Blanc, Mich.
(near Flint)

Monday, Oct. 12 — Buckmaster-Garriott "Opportunity"
Sale, Portland, Ind.

Good highways between the two.

Fine plane and rail service from Detroit to Ft. Wayne (we will be happy to meet you in Ft. Wayne if advance notice is given.) Plane service—Delta. Rail—Wabash.

YOU ARE CORDIALLY INVITED TO JOIN US SUNDAY AT TRINITY. TOWARDS EVENING WE WILL GATHER FOR REFRESHMENTS AND A BUFFET DINNER.

**Left: Lewis Laux,
manager of Trinity
Farm.**

**Right: Norman Sinclair,
Herdsman at
Trinity Farm.**

On the back cover is Bapton Constructor, greatest bull in modern Shorthorn history. The records established by this blood need no elaboration. It has moved our breed forward. The cattle in this sale represent a high concentration of this blood for we know of no better background in the cattle business. Louada Randolph is a double-bred grandson — Louada Rodney, a direct son. Intensifying this blood through line-breeding works even further improvement.

We pay tribute to the great breeder, Captain John MacGillivray, who owned Calrossie Harmony, Calrossie Welcome, Calrossie Constellation . . . to Gordon Blackstock, who produced Constructor at Bapton . . . to Louis Cadesky and Wib Donaldson, who had nerve enough to pay \$50,000 to bring him to these shores.

There are dedicated men in this business. We cannot name them all but will close by saying . . . "Give this breed more dedicated men and there will be no stopping us."

OPPORTUNITY SALE

MONDAY, OCT. 12, 1964, Portland, Indiana

TRINITY FARM
Portland, Indiana

TRUE BUCKMASTER, Owner
LEWIS LAUX, Mgr.
